**That Person who is awake in those that sleep, shaping desire after desire, that, indeed is pure.**

**That is Brahman, that, indeed, is called the immortal. In it, all the worlds rest and no one ever goes beyond it.**

**This, verily, is that, kamam kamam: desire after desire, really objects of desire. Even dream objects like objects of waking consciousness are due to the Supreme Person.**

**Even dream consciousness is proof of the existence of the self.**

**No one ever goes beyond it: of Eckhart: 'On reaching God all progress ends.'**
